

The Gaming Security Professionals of Canada (GSPC) Board would like to thank our membership for another successful virtual AGM. We would also like to thank all our corporate members for their continued support of the Association as well as Great Canadian Gaming Corporation (GCGC) and Genetec for sponsoring the 2021 AGM. Although meeting in person is most favourable and a great way to continue to network, the virtual environment (that we have all become so comfortable with) has worked well for us. The success of the AGM could not have been achieved without the efforts of so many people and the board is very appreciative of the team effort.

We did see some leadership changes to the board as a result of this AGM. We congratulate Kevin Sweeney (BCLC) for his successful election to a 3-year term to serve as the President of the GSPC Association as well as congratulate Richard Paris (Niagara Casinos) and Benoit Filiatreault (Loto Quebec) for their 3-year term appointments as Vice Presidents. A special thanks and acknowledgement to Angela Swan (Parq Casino/Resort) and Bob McDonald (River Cree Casino/Resort) for their continued efforts as board members/Vice President of the Association.

We look forward to continuing to provide a forum, network to share ideas, information and educational content throughout the next year to assist you and your organizations with challenges, issues and opportunities that may face you. We are also very excited about meeting in person at next year's AGM at the beautiful Casino Lac-Leamy in Gatineau, Quebec; May 31 to June 2 2022. We hope to see you all there!
